Grieve Well: Understanding Grief Workshop

Did you know that there are healthy ways to grieve? The first step is to understand this painful but important part of life.

During this presentation, you will learn about grief and the effects it has on one's physical and emotional health. You will receive information and resources to help you move through your grief journey in a way that leads toward healing.

- Wednesday, **March 19**, 7:00 pm EST (online only)
- Saturday, **April 5**, 10:00 am EST (HYBRID) - in person location at Howell Carnegie District Library

The GrieveWell team will be at Hope Clinic in Ypsilanti for their Whole Person Health Group event on Tuesday, April 15. Please come see us for free grieving resources.

518 Harriet St
Ypsilanti, MI 48197

4:30 pm - 6:00 pm

Workshops

GrieveWell's one-to-one peer support - grievewell.com/services/peer-support

If you are grieving the loss of a loved one, a GrieveWell Peer Counselor can provide hope and support as you learn to live again. **Accepting new clients age 18+ living in Michigan** who have lost a loved one (infant, child, spouse/partner, sibling, parent, or other family members). A GrieveWell Peer Counselor can:

- Meet with you for one hour, each week, for up to nine months
- Offer compassionate listening and a beacon of hope
- Provide support at no cost
